GET STARTED

Go Live in 60 Seconds

Create, configure, and deploy your own AI voice agent — no coding, no complex setup.

01

Create Account

Sign up and set your business profile and branding details in seconds.

→

02

Configure Agent

Add your offerings, appointment slots, and rules (via voice or simple form).

→

03

Go Live

Your dedicated voice agent is live and ready to take calls instantly.

Get in Touch

Let's build your AI voice operations infrastructure with Vaakriti.
